

Dear Mike Kreidel:

On behalf of all of us at Entertainment Solutions, thank you for your participation in the **Arizona Centennial Best Fest** in Prescott! This event could not have been the enormous success that it was without Filabusta's enthusiastic and delightful performance. The event had 70,000+ people over the three days and served as an amazing kick-off to the Arizona Centennial Celebration.

We hope you had a memorable experience and we look forward to hopefully working with you in the near future. Please consider participating in the Tucson and Phoenix Best Fest events as well. In the meantime, we welcome all of your feedback, both positive and negative, as it gives us valuable information to use in planning for future events.

Please accept our most sincere thank you for helping make this event a huge success.

Sincerely,
